Education

10/2017 - 06/2021
Technical Degree in Mechanical Engineering (132 Hours)
Al Hussein Technical University

10/2017 - 09/2020
Higher National Diploma in Mechanical Engineering (EQF Level 5)
Al Hussein Technical University

09/2013 - 07/2017
Bachelor's Degree in Mechatronics Engineering (Uncompleted)
Al-Balqa' Applied University

09/2010 - 06/2013
High School Diploma | Science Stream | Tawjihi Average: 81.4 %

Internship

01/10/2019 - 07/05/2020
Mechanical Engineering Technician
PI Photovoltaik-Institut Berlin AG | Berlin, Germany | Full Time

- Cooperation in the processing of customer orders from unpacking, transporting, and testing to repacking the PV modules.
- Execution of mechanical, electrical, and optical tests on PV modules.

Research Project

Development of a Transportable Measurement Method for Albedo Determination for Bifacial Photovoltaic Applications.

Computer Skills

Microsoft Office: Word (Good), Excel (Good), PowerPoint (Good)

CAD Software: AutoCAD (Good), SolidWorks (Good)

Programming: C (Fair), MATLAB (Good)

Microcontroller: Arduino (Good)

HVAC: HAP (Good)

Language Skills

Arabic Mother Tongue

English B1 (Intermediate) - Preparing for B2 level.

German A2 (Elementary) - Preparing for B1 level.
